The Council on University Planning met at 2:00 p.m., Monday, June 26, 1978 in Conference Room 202, Old Main, with Vice President Schaefer presiding.

Status of FY79 Capital Budget Request

Final action on the bill has not been taken by the legislature at this time. However, the university expects to receive approximately \$75,000 in OSHA projects and \$40,000 to replace the cooling towers in the Fine Arts Center.

Status of FY80 Capital Budget Request

The BOG staff has approved a request for \$3,251,600 in capital projects for Eastern. After board action the request will be forwarded to the BHE for review in the fall.

CDB Projects

The electrical shielded cable replacement project has been completed and Old Main and Student Services Building fire escapes are near completion. Bids for the remodeling of Booth Auditorium have been received and the project will probably begin in late summer.

Relocation of Office Assignments in Old Main

Dr. Owens informed the Council of the several changes that are to take place in office assignments during the summer.
